Letter of Gratitude

Hong Kong Teacher of Ten Thousand Generations Foundation

Dear Sir or Madam,

Greetings. I have received the financial assistance from your foundation for my study. First of all, I'd like to express my heartfelt gratitude to you Hong Kong Teacher of Ten Thousand Generations Foundation for your support and assistance. It is you that gave me hope at my desperate and helpless time. At this moment I am so delighted and excited. **I just want to shout loudly to the world, "Hello, I can come back to school again.** I can sit in the classroom again to study together with other fellow students. Are you glad for me?" I think they must admire me. I am so glad that I myself could hardly go to sleep. The working life in the last year enabled me to understand the importance of knowledge. Now, I have taken the first step to my dream. In the coming days at school I will certainly listen to teacher's instructions, study hard, practise for perfect. As the proverb goes, "Every second counts and even gold cannot buy time". I will take up every minute in my life time to study hard. Maybe I could not do the best, but I will do it better. I will never disappoint you. I will justify it by my action.

Finally, I would like to express my thanks to Hong Kong Teacher of Ten Thousand Generations Foundation for your concern and help.

Wish you peaceful and safe for life time.
